Features Key:

A modern, harsh bass soundtrack - over 40 minutes of studio quality audio work with an emphasis on speed, intensity, and a techno martial beat.

AMPLIFIED OST includes 80 minutes of high quality, rich, orchestral music recorded by the creative team, Kreia: Zach Gage, Jason Graves, and Ben Ringholm. Included on the disc are two retro tasks that will challenge both new and old players.

As compared to the enormous soundtrack in the packaged version, AMPLIFIED OST only boasts 70 minutes of arranged music and 14 minutes of bonus sampled music. But it is 30 times the fun. The arranged music was recorded by Hiroyuki Agata, a feller sent to us from the time of the version 1.1 patch.
