Plugins\Uninstall.If you have been trying to watch your favourite sports team and are missing out on live streaming because of a slow internet connection or app, you might be in for a treat. This year, Jio has come up with a game changer in this category. The company has launched its live streaming app - JioSaavn - for android and iOS devices. The new offering offers a video streaming service within smartphones, which has been largely ignored by the Indian market. The app, developed by Saavn India, will enable its more than a billion users to watch the biggest sports such as Cricket, Football, and Tennis. Other popular streaming apps such as Hotstar, Sony LIV, and Tencent, have limited sports coverage.
